

Dr. Vishal Guglani
Professor and Head,
Department of Paediatrics, GMCH-32

Dr. Vishal Guglani is a distinguished medical professional serving as the Professor and Head of the Department of Paediatrics at Government Medical College & Hospital (GMCH), Sector 32, Chandigarh. With an illustrious career spanning over 25 years, he has made significant contributions to paediatric healthcare, education, and research.

Dr. Guglani completed his undergraduate medical education at Maulana Azad Medical College, University of Delhi, in 1994. He pursued his MD in Paediatrics from Vardhman Mahavir Medical College & Safdarjung Hospital, University of Delhi, in 2000, followed by a Senior Residency at the same institution from 2000 to 2003. His academic journey laid a strong foundation for his future endeavours in paediatric medicine.

At GMCH-32, Dr. Guglani has been instrumental in shaping the Department of Paediatrics, which offers comprehensive services in neonatology, paediatric endocrinology, adolescent medicine, and general paediatrics. The department is known for its state-of-the-art facilities, including a neonatal intensive care unit and a human milk bank, ensuring high-quality care for infants and children .

Dr. Guglani's academic contributions are noteworthy, with over 72 publications in national and international journals. His research interests encompass various aspects of paediatrics, reflecting his commitment to advancing medical knowledge and improving child healthcare.

Beyond his clinical and academic roles, Dr. Guglani has served as a Project Investigator and Co-Investigator in several research projects, demonstrating his leadership in paediatric research. His special interests include Paediatric Endocrinology and Adolescent Medicine, areas in which he has contributed significantly to both clinical practice and research.

In recognition of his invaluable services in the medical field and his contributions to society, Dr. Guglani was honoured with an Award of Appreciation and Recognition by the Indian Medical Association (IMA) Chandigarh and the Rotary Club on July 1, 2023. This accolade underscores his dedication to paediatric medicine and his impact on the community.

Dr. Guglani's exemplary career continues to inspire medical professionals and serves as a beacon of excellence in paediatric healthcare.
